APPENDIX A — CUPE NATIONAL EQUALITY STATEMENT

Union solidarity is based on the principle that union members are equal and deserve mutual respect at all levels. Any behaviour that creates conflict prevents us from working together to strengthen our union.

As unionists, mutual respect, cooperation, and understanding are our goals. We should neither condone nor tolerate behaviour that undermines the dignity or self-esteem of any individual or creates an intimidating, hostile, or offensive environment.

Discriminatory speech or conduct which is racist, sexist, transphobic or homophobic hurts and thereby divides us. So too, does discrimination on the basis of ability, age, class, religion, language and ethnic origin.

Sometimes discrimination takes the form of harassment. Harassment means using real or perceived power to abuse, devalue or humiliate. Harassment should not be treated as a joke. The uneasiness and resentment that it creates are not feelings that help us grow as a union.

Discrimination and harassment focus on characteristics that make us different; and they reduce our capacity to work together on shared concerns such as decent wages, safe working conditions, and justice in the workplace, society and in our union.

CUPE's policies and practices must reflect our commitment to equality. Members, staff, and elected officers must be mindful that all persons deserve dignity, equality and respect.

APPENDIX B — RULES OF ORDER

1. The President will be the Chairperson at all membership meetings. In the absence of the President, the Vice-President–Lead Steward will be the Chairperson at the membership meeting. In the absence of the President and Vice-President–Lead Steward, the Vice-President–Equity & Inclusion will be the Chairperson at the membership meeting. In the absence of the President, Vice-President–Lead Steward and Vice-President–Equity & Inclusion, members at the membership meeting will select a Chairperson by majority vote. Quorum rules must be met.
2. Members are not allowed to speak about an issue for more than five minutes. Members can only speak to an issue once unless there is agreement by the members at a meeting, or where all those wishing to speak have had the opportunity to speak.
3. The Chairperson of a committee who is making a report or the mover of a motion may speak for up to fifteen minutes. With the agreement of the members present, the fifteen minutes may be expanded.
4. The Chairperson will state every motion presented at a membership meeting before allowing debate on the motion. Before putting a motion to a vote, the Chairperson will ask: “Is the Local ready for the motion?” If no member rises to speak, the motion will be voted upon.
5. A motion must be moved and seconded. The mover and seconder must rise and be recognized by the Chairperson.
6. A motion to amend a motion, or a motion to amend an amendment are allowed, however a motion to amend an amendment to an amendment is not allowed.
7. An amendment to a motion or an amendment to an amendment to a motion that is a direct negative to the main motion is never permitted.
8. On motion, the regular order of business at a membership meeting may be suspended where two-thirds of those present vote to do so. The regular order of business should only be suspended to deal with urgent business.
9. Motions other than those named in Rule 19, or motions to accept or adopt the report of a committee, will, if requested by the Chairperson, be put in writing prior to beginning debate and vote.
10. At the request of a member, and upon a majority vote, a motion which contains more than one action or issue can be divided.
11. The mover of a motion can withdraw the motion upon the consent of the seconder prior to the end of debate. Once debate has ended on a motion, the motion can only be withdrawn upon unanimous vote of the members present.
12. A member who wishes to speak on a motion, or a member who wishes to move a motion, shall rise and respectfully address the Chairperson. The member shall not proceed until the member is recognized by the Chairperson except where the member rises to a point of order or on a question of privilege.

13. The Chairperson will keep a speakers list and in all cases will determine the order of speakers including those circumstances where two (2) or more members rise to speak at the same time.
14. A member, while speaking, will speak only to the issue under debate. Members shall not personally attack other members. Members will refrain from using language that is offensive or in poor taste. Members will generally not speak in a manner that reflects poorly on the Local Union or other members.

16. Religious discussion of any kind is not permitted.
17. The Chairperson will not take part in any debate. Where the Chairperson wishes to speak on a resolution or motion, or where the Chairperson wishes to move a motion, the Chairperson must rise from the chair and hand the chair over as outlined in Rule #1.
18. The Chairperson will have the same right to vote as other members. In the case of a tie vote, the Chairperson may cast another vote, or the Chairperson may refrain from casting an additional vote, in which case the motion is defeated.
19. When a motion is before the members, no other motion is in order except a motion to 1) adjourn; 2) put the previous question; 3) lay on the table; 4) postpone for a definite time; 5) refer; or 6) divide or amend. These six motions shall have precedence in the order indicated. Motions 1 through 3 shall be decided without debate.
20. The Chairperson will ask "Will the main question be now put?" where a motion for the previous question is moved and seconded. If approved, the Chairperson will then take votes on the motion and amendments to the motion (if any) in order of priority. If an amendment or an amendment to an amendment is approved, then members will be asked to vote on the motion as amended.
21. A motion to adjourn is in order except when a member is speaking or when members are voting.
22. A motion to adjourn, if lost, is not in order if there is further business before the Local Union, until fifteen minutes have elapsed.
23. After the Chairperson declares the vote results on a question, and before the Local Union proceeds to another order of business, any member can ask for a division. A standing vote on the division will be taken and the Recording Secretary will count the standing vote.
24. If a member wishes to appeal a decision of the Chairperson, the member must appeal at the time the decision is made. If the appeal is seconded, the member will be asked to state briefly the basis for the appeal. The Chairperson will then state briefly the reasons for the decision. Following immediately and without debate, the Chairperson will ask, "Will the decision of the chair be upheld?" A majority vote shall decide. In the event of a tie vote, the decision of the chair is upheld.

25. After a question has been decided, any two (2) members who have voted with the majority can move reconsideration, provided that a motion for reconsideration is made at either the meeting where the decision proposed for reconsideration was made, or at the very next meeting.
26. Members are allowed to leave a meeting with the permission of the Vice-President; however, in no case will a member leave during the reading of minutes, the initiation of new members, the installation of Officers, or the taking of a vote.

APPENDIX D — CUPE Code of Conduct

The mandate of our union, the Canadian Union of Public Employees (CUPE), is to organize and defend workers and to promote economic and social justice for our members and for all workers. In carrying out our work, we in CUPE strive to promote our core values which include the principles of solidarity, equality, democracy, integrity, and respect. We are committed to mobilizing our energy and skills to work together to promote these values and to attain these goals in our union, our communities, and globally.

CUPE is committed at all levels to creating a union which is inclusive, welcoming, and free from harassment, discrimination and all types of bullying and intimidation. CUPE needs to ensure that we provide a safe environment for members, staff and elected officers to carry out our work. CUPE's expectation is that mutual respect, understanding and co-operation will be the basis of all our interaction.

The Code of Conduct sets out standards of behaviour for participants at national convention, national conferences, schools, meetings, and all other events organized by CUPE National. It is also applicable to structures of CUPE – locals, Provincial and Service Divisions, District Councils, Provincial Unions, Councils of Unions, Provincial Councils of Unions, and Provincial Sectoral Groups. It is consistent with the expectations outlined in the Equality Statement and the CUPE National Constitution.

This Code of Conduct is intended to deal with complaints of inappropriate behaviour at events organized by CUPE National. It does not apply to complaints arising in the workplace, as those are dealt with through the grievance procedure and/or the applicable workplace harassment policy.

As CUPE members, staff, and elected officers, we commit to one another and to the union to be governed by the principles of the Code of Conduct and agree to:

- Abide by the provisions of the Equality Statement.
- Respect the views of others, even when we disagree.
- Recognize and value individual differences.
- Communicate openly.
- Support and encourage each other.
- Make sure that we do not harass or discriminate against each other.
- Commit to not engaging in offensive comment or conduct.
- Make sure that we do not act in ways that are aggressive, bullying, or intimidating.
- Take responsibility for not engaging in inappropriate behaviour due to use of alcohol or other drugs while participating in union activities, including social events.

Harassment is objectionable behaviour which may include actions, language, gestures, and/or written material, and which the harasser knows or ought reasonably to know is abusive and unwelcome. Bullying is a form of harassment which is serious ongoing

behaviour which targets an individual or group and which threatens that person or persons' mental and/or physical well-being.

A complaint regarding the Code of Conduct will be handled as follows:

1. If possible, a member may attempt to deal directly with the person alleged to have engaged in behaviour contrary to the Code, by asking them to stop such behaviour. If that is not possible, or if it does not resolve the problem, a member may bring forward a complaint.
2. At national convention, national conferences, schools, meetings, and all other events organized by CUPE National, a complaint shall be brought to the attention of an ombudsperson.
3. At a meeting, event, or activity held by a structure of CUPE, should an ombudsperson be available, the same process would be used. Should an ombudsperson not be available, a person properly appointed and designated to be in charge shall receive the complaint.
4. If the complaint involves a staff member, it shall be referred to the appropriate director for investigation and the complaint shall be dealt with in accordance with the applicable staff collective agreement. If the complaint involves a staff member employed by another part of CUPE, the person responsible for their employment will be the one to whom a complaint is referred and the relevant collective agreement, should it exist, would be applicable.
5. Once a complaint is received where an ombudsperson is being used, the ombudsperson will work to seek a resolution.
6. If this fails to resolve the matter, the ombudsperson shall report the matter to the person in charge, who shall determine whether there is need to remove the member. The person in charge has the authority to expel members from the event for serious or persistent offenses.
7. At CUPE National events where an ombudsperson is not available, a person properly appointed and designated to be in charge shall receive the complaint. Depending on the nature of the problem, the person in charge may attempt to resolve it through conflict resolution. If this fails to resolve the matter, the person in charge shall determine whether there is a need to remove the member. The person in charge has the authority to expel members from the event for serious or persistent offenses. The same process is to be used for other parts of CUPE where an ombudsperson is not available.

8. For National events, if the person in charge is a party to the complaint, the director or designate shall assume that role. For all other parts of CUPE, an alternate will be designated to assume the role.
9. In a case where a member has been expelled from an event, the National President shall receive a report on the matter. For all other structures of CUPE, the presiding officer shall receive a report on the matter.
10. For events organized by CUPE National, the National President shall determine if further remedial action is appropriate, including restricting a member's participation in future events organized by CUPE National. A similar process may be applicable to the other parts of CUPE, done in consultation with the National President.

This Code of Conduct is designed to create a safe, respectful and supportive environment within all parts of CUPE. It is meant to enhance the rights and obligations outlined in the CUPE National Constitution, the Equality Statement, and applicable human rights legislation, not replace them.

All chartered organizations are subject to this Code of Conduct, to apply to conventions, conferences, schools, and meetings which they organize.
